text

hangOUTside: Here goes first line
of text And more text and some
more text and a bit more text and
a little more text and a little peace
of text to fill space

There goes second line of text
Thence goes third line of text And
more text and some more text and
a bit more text and a little more
text and a little peace of text to
fill space

Hence goes fourth line of text^a

Text 1. Beside text I in float row.
And more text and some more text
and a bit more text and a little more
text and a little peace of text to fill
space

^aText of footnote. And more text and
some more text and a bit more text and a
little more text and a little peace of text
to fill space

hangOUTside: Here goes first line
of text And more text and some
more text and a bit more text and
a little more text and a little peace
of text to fill space

There goes second line of text
Thence goes third line of text And
more text and some more text and
a bit more text and a little more
text and a little peace of text to
fill space

Hence goes fourth line of text.

And more text and some more
text and a bit more text and a
little more text and a little peace
of text to fill space.

Text 2. Beside text II in float row

Text of float foot. And more text and
some more text and a bit more text and a
little more text and a little peace of text
to fill space

Example of row with two textboxes (boxes 3–4).
